Villiersdorp Tourism Association (VTA) is dedicated to promoting our town as a tourism destination to bring new foreign and local money to the area.

Villiersdorp Tourism is proudly located at Dagbreek - a national monument and town treasure where we strive to maintain a lively hub of information, cultural activities, and events.

Our vision is to become a preferred destination for local and foreign tourists wanting an outdoor experience. Be it eco-tourism, agritourism, water sports, golf, biking, hiking or simply a laid-back experience, thus taking advantage of our dams, mountains, farms, golf course, bird life and exquisite scenery.

Membership appeal

As VTA does not receive any grants or compensation from Theewaterskloof Municipality or the Western Cape government, we are reliant on membership fees to fund our efforts to promote our town and environs. The VTA Committee members, all of whom give of their time and expertise entirely voluntarily and without compensation, have therefore launched a drive to attract more members. The truth of the matter is that every business and every household in Villiersdorp and its immediate surrounds should ideally be a member of the Villiersdorp Tourism Association. It is in the best interests of our town to attract as many new visitors to our area as possible. Not only will this generate more business for our local enterprises, it will also pave the way to attracting new businesses to our town, such as restaurants, shops, B&Bs, etc., all of which will improve the quality of our town and uplift the lives of its people

Advantages of membership

We would like to invite all businesses and individuals who are not yet members of Villiersdorp Tourism Association to become members of VTA. The advantages of membership include:

- Free entry (2 persons per membership card) to events where we charge admission (Art&Wine evenings, Stookfees, etc.)
- Free entry (2 persons per membership card and their children younger than 12) to the Theewaterskloof Sports Club, restaurant and bar
- For business members, a link with their contact details on VTA's website
- For B&Bs and restaurants, a link on VTA's website
- Regular write-ups for business and other members on our Facebook page
- Invitation to VTA's Annual General Meeting and regular news updates via e-mail

The membership fee is R 400 per annum (or part thereof) per person/couple or business entity. As VTA is a registered NPO, you can deduct your membership fee for tax purposes. We would like to increase our membership numbers substantially so that Villiersdorp may continue to benefit from VTA's vital contribution.
